

Purchase / Leasing options

With many companies / fleets having a 2 or 3 year turnaround on their vehicles, it makes sense to bring the purchase of RoadHawk cameras in line with the lifecycle of the vehicles and as such RoadHawk have introduced a lease plan for cameras based around this pattern. In addition the taxable benefits of leasing means the company can save money over an outright purchase.

Products available on lease:

- RoadHawk DC-2*
- RoadHawk HD*
- RoadHawk E10 multi camera system*

*Subject to minimum quantities and specifications. Fitting costs can be added to certain products

The lease process:

- ✓ Customer is offered a provisional quote
- ✓ Customer decides lease term (2 or 3 years)
- ✓ Credit check carried out by Lease Company
- ✓ Lease agreed
- ✓ Customer signs lease documentation
- ✓ Cameras fitted & customer signs 'Certificate of Delivery'
